

Liquortek

Liquortek essences.

Dit zijn zeer sterk geconcentreerde produkten die normaal alleen gebruikt worden door professionals. De meeste essences zijn ongekleurd, dit heeft te maken met de rechten die sommige bedrijven hebben op de smaak/kleur van een likeur.

Het eindprodukt smaakt dus exact hetzelfde maar is blank van kleur. Voor het op kleur brengen adviseren wij de Liquortek kleurstoffen.

These are professional products, that should not be overdosed.

You can however vary the dose somewhat but not overdose too much.

In case of doubt please feel free to contact us for advise.

Always keep away from children. Store in a safe place.

Some essences also need additional sugar if you are making sugar syrup always keep in mind that a hot liquid containing sugar stays very hot for a very long period and only cools down very slowly.

Hot sugar syrup causand only cools down very slowly.

Hot sugar syrup causes very severe burning and should be treated with great care.

Do not let children near you when working with this.
